Poly gave me so much as a student. I loved my friends, my teachers, my education... and so it was an easy decision to stay involved as an alumna.

—Alex Maresca Azara ’00, P’33, ’37 Board of Governors, 2000 Class Representative

Poly gave me my best friends and the best memories and that was solely due to the culture of the school. While Poly has changed in many ways since I have graduated, I want to make sure that the spirit of the school remains the same.
