LIVE FAMILY WEBINAR

Navigating Financial Aid

What Families Need to Know for the 2027-2028 School Year

Financial aid can feel like a lot to navigate, especially when you're unsure what to expect. Whether your family is new to the process or preparing for another year, this family-focused webinar, hosted by Mission Enrollment, will help you understand the key steps, know how to prepare, and feel supported as you navigate financial aid with schools your family is considering or currently attending.

CLARITY Financial Aid Application

Presentation Highlights

During the 1-hour session, we'll cover:

- Financial aid basics and what to expect
- Preparing your household budget & documents
- Review of the Clarity financial aid application
- Common questions, helpful tips, and live Q & A
